

## **EMERA AWARD**

Is there someone in your Chapter who epitomizes the spirit of Eastern Star? Has this person, for whatever reason, never served as Worthy Matron or Worthy Patron? The **EMERA AWARD** was devised to allow such a person to be recognized for their efforts in working for the good of the Order.

Contact Cynthia McDonald, Chair of the Emera Award Committee, to receive the necessary application to nominate this special person. Nominations need to be received by the committee by December 15.
