

Happy Holidays

Wishing you a Wonderful Christmas

And a Very Happy New Year!

'Tis the traditional season of giving and making joyful noises!

We may be subdued in our activity this year, but let us be abundantly joyful and full of gratitude as we remember our Heavenly Father's LOVE for all His children. As many observe traditions this year gathering virtually or in smaller gatherings, we have the opportunity to view from the base of our belief systems, and not to dwell so much in the gift exchange so quickly over in the blink of an eye! May you find a deeper meaning rising above the challenges of today ~ the true root meaning of LOVE as you share love with family, fraternal family, and friends. Grow in your soul to be refreshed in service, love & dedication to others.

*In Dr. Seuss' "How the Grinch Stole Christmas,"
the Grinch finally "thought of something he hadn't before!
'Maybe Christmas' he thought, doesn't come from a store.'
'Maybe Christmas...perhaps...means a little bit more!"*

We wish for you the joy of listening to some of the world's most precious music in celebration and reverence of this time of the year. May the music fill you with peace, love, and joy ~ for what a wondrous time the Holidays bring to our world.

We wish you laughter and hope for brighter times to come.

We wish you connections with family and friends - whether in person, by electronic means such as ZOOM or Facetime, or the cards you receive and send in the mail or by email, we wish you another season of making cherished memories.

We wish for you the thrill of hope as our weary world rejoices, and the New Year recovers, bringing with it brighter new and wondrous days for each of you.

May you find in the Holiday season gifts of the unpackaged, unbought kind, gifts that you can hold on to in all the days ahead and carry forward to proclaim to all - the gifts of

Joy ~ Hope~ and Love.

The greatest of these is love. Love what you do!

Do what you do with LOVE!

With thankfulness and praise, we celebrate the essence of HIS gift of you as we share gifts, love & joy this Holiday season.
